**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Big telephone companies are seeking deregulation, so they could levy a massive price hike on all broadband customers.

Local providers are building new fiber networks to bring faster speeds. I want them to be able to grow and offer high speed internet for more people in the USA.

Competition builds the future!
